Late February Deal!

Dear Howie,

This one's simple folks! We have prime conditions here in the Eastern Sierra right now and we're motivated to share it with everyone. So we're offering a deal. Book a trip for any of the weekdays left in February (22-26) and we'll give you 15% off. The ice climbing in Lee Vining is at it's finest in a few years, we've got fresh coat of powder coming this weekend, and approach conditions to the high peaks are as comfortable as mid-winter can get. 15% off applies to all custom trips, except June Mountain Off-Piste.

Lead Guide Jed Porter can hardly get enough of the mountains. Whether he's guiding, out for fun, or at home on the computer, he's constantly thinking MOUNTAIN. Below he offers some advice for climbers and skiers and effective use (and abuse....:-)) of the internet.
Enjoy!

Thanks from All of us at Sierra Mountain Guides!
